

Membership Survey 2008

The purpose of this Membership Survey is two-fold: to collect information from you and other Alumni Brothers concerning your interest in possible alumni activities and to provide you with a convenient way to register your membership in the "Central Florida Alumni Chapter of Sigma Chi" for 2008. Please take a brief moment to complete all areas of this form in order to update our CFAC database and to improve our communication with you about Chapter events.

Please complete the information in each section, include your complete contact details and return the survey. Once your annual dues of \$35.00 have been received your membership status will be confirmed.

Prospective Members

The Central Florida Alumni Chapter has grown to record membership numbers over the last few years to 137 active brothers and with over 1,400 Sigma Chi's living in Central Florida our potential is limitless. With your help we want to increase our membership building upon our strong base of Alumni leaders to help to give back to the community, contribute to the undergraduate chapters and provide Brotherhood for the Alumni in Central Florida. Please help by providing the names of 3 Sigma Chi Alumnus for recruitment.

Prospective Brothers to join CFAC: I will contact these Brothers for Membership

CFAC Mentoring Program

The CFAC is proud to offer a new mentoring opportunity to help foster the growth of our younger brothers of the Eta Pi Chapter (University of Central Florida). We're looking for committed Alumni Brothers willing to spend one day a month with an undergraduate, encouraging them in their chapter life and developing them for life after college. The commitment is for at least one year with the hope that you will forge a friendship that carries you to the chapter eternal. Volunteers will be paired with an undergraduate brother that has made the same one-year commitment. We encourage you to take advantage of this wonderful opportunity to help build the future of Sigma Chi.

I would like to be contacted to participate in the CFAC Mentoring Program
