

# Central Florida Alumni Chapter of Sigma Chi

## 2009 Membership Survey

Dear Brother,

The difference between 'involvement' and 'commitment' is like an eggs-and-ham breakfast: the chicken was 'involved' but the pig was 'committed'. Brotherhood in The Sigma Chi Fraternity is a life long commitment. If you have been an active brother of the Central Florida Alumni Chapter (CFAC) of Sigma Chi at some point in the past, thank you - it is your continued support that allows the Sigma Chi Fraternity to thrive. Whether you have or have not been active in the past, this is your opportunity to continue your support or start anew.

Last year was another successful year for CFAC as it hosted the annual Blue & Gold Honors Luncheon, quarterly lunches, The Christmas Dinner, and continued its philanthropic efforts through the 6<sup>th</sup> annual Orlando Scramble for Kids (OSFK) Golf Tournament benefiting Children's Miracle Network.

In 2009, CFAC will be hosting an array of events throughout the year. Please bookmark and frequently visit the CFAC website ([www.OrlandoSigmaChi.com](http://www.OrlandoSigmaChi.com)) for current information on the latest events, contact information, list of active brothers and much more.

CFAC is not only about lunches, happy hours and golf tournaments. Our undergraduate chapters, from Orlando to Gainesville and down south to the Florida Gulf Coast University (a Sigma Chi colony) are in need of your support. These young men are calling for your direction, guidance and leadership.

Continue your commitment to the Sigma Chi Fraternity by renewing your active Alumni status in CFAC. Enjoy the brotherhood - memories, stories, laughs and tears - and help further strengthen the Sigma Chi Fraternity. A past active alumnus or not, I am calling on you to renew your commitment to your Fraternity.

In Hoc Signo Vinces,

Jon Harper, CFAC President
