**On Behalf of Central Florida's Children...**

Thank you for playing in the "Puttin' On The Ritz For Kids" Charity Golf Tournament on August 29<sup>th</sup>. Your donations will benefit the pediatric programs at Shands Children's Hospital at the University of Florida and Arnold Palmer Hospital for Children & Women through Children's Miracle Network.

Children have very special medical needs and children's hospitals are the only facilities that provide the customized care they can't live without. Children's Miracle Network hospitals like Shands Children's Hospital and Arnold Palmer Hospital serve as regional referral centers providing specialized equipment and programs necessary to care for children with complex and catastrophic illness. They are research centers bringing research to the bedside to find answers to some of our greatest childhood medical challenges. And they are also advocates, promoting injury prevention, immunization campaigns and other steps to good health.

When the unexpected becomes a reality, the latest medical technology combines with the compassionate care of medical specialists and generous contributors like you and the Central Florida Alumni Chapter of Sigma Chi to give our kids a fighting chance. Thanks again for your commitment to ensuring the very best health care for children throughout Central Florida!

Sincerely,

Sandy McPherson

*Children's Miracle Network is the official charity of the Sigma Chi Fraternity. Earlier this summer, Sigma Chi held its bi-annual international convention, Grand Chapter, at the Marriott Renaissance Hotel, here in Orlando. As usual, local Sigma Chi alumni were most generous in their sponsorship of Grand Chapter as over \$36,000 was raised to host Sigma Chi's most important event. As an additional act of generosity, Central Florida Sigma Chis have requested that any excess funds resulting from their generosity be donated to Children's Miracle Network. Central Florida Sigma Chi Alumni are happy to present \$5,000 to CMN on behalf of the 2003 Grand Chapter sponsors.*
